

\*N.B. – degrees may require specific qualifications, combinations of subjects, or other requirements

## Science/Maths

A levels; Chemistry, Biology, Physics, Maths, Further Maths, Accounting  
Vocational; Human Biology

L3 BTEC Applied Science

Biological Sciences,  
Biology,  
Biochemistry,  
Biochemistry & Genetics,  
Chemistry with Medicinal Chemistry,  
Physics,  
Accounting

Accounting & Finance  
Physics with Astrophysics,  
Veterinary Physiotherapy,  
Mathematics,  
Biomedical Engineering,  
Chemical Engineering,  
Civil Engineering,

Mechanical Engineering,  
Motorsport Engineering,  
Biomedical Sciences,  
Neuroscience,  
Environmental Biology,  
Biotechnology

\*N.B. – degrees may require specific qualifications, combinations of subjects, or other requirements

# Psychology/Social Sciences

A Levels; Psychology, Sociology, Law, Politics,  
Business Studies  
Vocational; Applied Psychology, Criminology

Social Work

Sociology with Psychology,  
Sociology,  
Law,  
Psychology with Counselling  
Speech & Language Therapy  
Business & Management/Sociology

\*N.B. – degrees may require specific qualifications, combinations of subjects, or other requirements

# Humanities

A levels; English Lang, English Lit, English Lang & Lit, History, Ancient History, Classical Civilisation, Geography, Philosophy, Law, Religious Studies, Art, Politics

English  
English & Creative Writing  
English Literature  
History  
History & Economics  
Ancient History

Geography  
Human Geography  
Philosophy  
PPE  
Law,  
Philosophy, Religion, Ethics

Liberal Arts  
International Relations  
Real Estate  
Geology  
History Of Art  
Geography & Environmental Mgt

\*N.B. – degrees may require specific qualifications, combinations of subjects, or other requirements

# Engineering

A levels; Physics, Maths, Biology, Chemistry

L3 BTEC  
Engineering

Civil Engineering,  
Agricultural Engineering,  
Automotive Engineering,  
Biomedical Engineering,  
Chemical Engineering,  
Electronic Engineering,

Mining Engineering,  
Engineering & Technology,  
Innovation Engineering,  
Mechanical Engineering,  
Motorsport Engineering,  
Renewable Energy Engineering

\*N.B. – degrees may require specific qualifications, combinations of subjects, or other requirements

# Business/Marketing

A levels;  
(Primary) Business Studies, Economics  
(secondary) Law, Sociology, Psychology

L3 BTEC Business

Business, Business Law,  
Business and Management,  
Business & Marketing Management,
