# WHY CHOOSE THE HENLEY COLLEGE?

The fundamental purpose of The Henley College Football Programme is to create an environment where players can grow and then excel alongside their academical study. The programme will allow players to train and play regularly gaining valuable coaching. Progressions and pathways can include:

- 🏈 USA Scholarships 🏈
- 🏈 Professional/Semi Professional Contracts 🏈
- 🏈 University 🏈
- 🏈 Jobs in the football/sporting industry 🏈

# STUDY OPTIONS

## STUDY A LEVELS

Unlike most football programmes you have the opportunity to study a whole range of A Level subjects!

## STUDY VOCATIONAL

Study a range of vocational courses alongside the football programme!

## STUDY CHOSEN SUBJECTS

Don't get tied down to studying one subject alongside your football!

The football programme is a 2-3 year, part-time Education and Football Development programme. We strive to give all of our players more opportunities and greater experiences designed to help them progress on and off the pitch.

The programme aims to not only develop the players as footballers, but as whole individuals

Whilst the football programme requires a high level of commitment, the academic programme comes first. Students are encouraged to stay on top of their studies, with the football staff providing pastoral support in helping the students to manage their time effectively.

A unique selling point for the programme is that the college offers a diverse range of academic subjects to suit the needs of the student. Including 32 different A levels and a wide range of BTEC and vocational courses.
