

Revised Berkshire Route March 2021

Please note that college coach access is sold on a first come, first served basis and is subject to seat availability and sufficient sales to ensure the route's viability. As such please order your coach pass as soon as possible to secure your seat. The coach will also only stop at locations where pass holders are registered and are known to be waiting. Therefore not all stops may be used. Students should wait at their registered stop at least 10 minutes before the departure time.
