

Destinations: students leaving Summer 2022

This report covers students on the following programmes, A level year 2, Level 3 vocational year 2, Level 2, Art Foundation and Foundation learning. This makes up 832 students that show as continuing in study at the end of June 2022. Just over 20% students show as not known. GroFar (the company used to undertake the survey) contacted 6 times, the College 3. Unfortunately they did not respond.

The report below gives the destinations of students, where a destination has been returned.

#### Overview of destinations by course type
